3. **Reunion 2022: topic, speakers & next steps**

Date is confirmed on 10th and 11th of September. The Umbrella topic needs to be fine-tuned in the next Board. Currently the Board is closing the phase of proposal of the speakers and voting. Gonzalo reported that it would be better to reduce the number of the speakers from 5 to 3, due to the past experience, in order to have a more suitable timeframe and deeper discussion and interaction with the speaker. The format will still be hybrid.

Besides the Academic Reunion, including the Annual Assembly, a Gala dinner is expected to take place on Saturday evening. On Sunday 11th the Reunion will focus on leisure and social activities (e.g., golf tournament, city tour, tai chi / yoga). Moreover, the Association is willing to continue supporting charity communities by donating proceeds from golf tournament and / or other events.

Gonzalo explained to Marina the voting method in use to select the speakers for the Reunion. All the material is available on Google Drive.

⇒ Vote to be completed before the next Board

4. **Reunion: focus on speakers & task, next steps**

The Board agreed with the number of the speakers as proposed by Gonzalo and Jessica pointed out that, in this case, it would be better to host the guest speakers in person.

Umbrella topic is “Ecological Transition” that will be further developed by each speaker. The content of the presentation provided by the speakers would be analysed by the Board in advance compared to the Reunion 2021.

Tracker of the speakers management & correlated activities to be monitored:

1) **Contact the speaker**: Gonzalo + Board member who proposed the selected speaker
2) **Check of the presentations**: board member volunteers (Gonzalo, Manish, Marina)
3) **Contact restaurants & logistic**: Irma - tbc
4) **Contact golf club for the tournament**: Igor and Gonzalo – to ask for lunch / happy hour open to all the alumni with a possible wine tasting experience
5) **Other leisure activities (TBC)**: Current options under evaluation: Wine tasting experience (linked to the Wine Business Management Master Program); Trekking with horses; Ambassador on-line meeting to present the relative country and local activities – no more than 3 activities
6) **Promotion and Alumni engagement**: Ambassadors + Board (Communication team)
7) **Responsible:** Communication & Networking teams
8) **Contact with the School & Budget** (refunds, ...): Teodora, Alessia and Gonzalo
