

Meeting of the Governing Council  
MIB Trieste Alumni Association  
October 1st, 2019, 8:00 p.m.

*Board members present via Skype:*

Paula Sartori, Francesca Sogliani, Dorina Stanculescu, Maria Trimarchi

**Agenda discussed:**

**Reunion 2020**

We discussed topics for the next Reunion, to be held on **June 6<sup>th</sup> -7<sup>th</sup>, 2020**. The main idea that all present members agreed upon was to link it to the ESOF (European Science Open Forum), as in 2020 Trieste be the European capital of Science. We will also involve *Claudio Colaiacomo*, as he works at Elsevier and has a lot of contacts within the scientific community. All members present will read more about ESOF, in order to better understand how to link to the Reunion.

For the Saturday evening, Dorina proposed to look into alternatives to the typical social dinner at a restaurant, like visiting an art exhibition at Revoltella Museum and then have dinner on the terrace. Paula offered to investigate more on that.

As for the Sunday leisure activities on Sunday, Francesca suggested a visit to the Duino castle, followed by lunch at Dama Bianca, or a visit to San Giusto castle, followed by lunch at Bottega del Vino.

**Other issues**

- ✓ **Workshop for MIB Ladies:** we talked a lot in the past about an event for the MIB Ladies, and now we decided we would ask Gabriella Iacono if she was available. Dorina will do it.
- ✓ **Possible visit to Elettra and /or Area Science Park** for the Alumni in Trieste.
- ✓ **Networking cafés:** some of the referents of the cities would like to link an event to the networking café, but they are very slow and for now the only concrete proposal we have is a Crowdfunding Event in Milan between November and December.
- ✓ **Ideas for a cultural activity:** possible visit the Peggy Guggenheim museum in Venice, Francesca can eventually arrange that at the beginning of next year.
- ✓ **Check with the school the calendar of other events** and advertise more activities of interest for the alumni like the company visits or company conversations.

The meeting ends at 9:00 p.m.

Secretary and Chairman,  
Dorina Stanculescu
