

MIB-ON-THE-SNOW 2023

Friday the 27th of January 2023 – Sunday the 29th of January 2023

Dear friends of MIB School of Management, dear students, dear Alumni,

as every year our School proposes to its students, to its alumni, to the staff members and to the other friends to spend a week-end on the mountains, in order to relax together in a serene harmony and in the middle of nature, where joy, humor, sport and fun will be cheered by increasing feelings of friendship. This is one of the nicest chances of the year for MIB Community to meet and socialize. We expect the participation of representatives of all programs of MIB (MBA in International Business, MIRM, Origini Italia, EMBA, EMIF, Wine, Specialized short courses), MIB Staff and MIB Alumni. According with our tradition we will go to Bad Kleinkirchheim, in Austria¹, which is one of the most well-known ski stations of Carinthia region and also boasts hot springs. It will be possible to ski, but also to practice snowboard, carving, ice skating and cross-country skiing; in addition it will be a pleasure to visit the hot springs (Roman Thermal Baths), to take a sauna or swim in a warm water pool (even outdoors). The warm pool is very pleasant and it is good for the health: the water is full of radon and it emerges at 36° C. Hydromassage and solarium are also available. Bad Kleinkirchheim has many mountain huts, with excellent restaurant services and good itineraries for walks. Here you have the Program.
