

MIB Trieste Alumni Association

Governing Council 2020-23

*Dear MIB Alumni,
I'm Giovanni Bonamigo. I'm 45, happily married for 16 years with two wonderful kids.
I am in charge of the definition, growth and positioning of the software solutions and services offered by my company and I invest most of my time in advising our main customers, supporting them in the human and digital transformation*

I'm very proud of being a MIB Trieste graduate and I think that all of us need to work together to promote and sustain the MIB's brand and the choice We did. These are the key points that I want to pursue with others EMBA 20 teammates as the new MAA board:

- *strengthen connections and create new career opportunities within our Alumni worldwide network by means of digital and physical events*
- *let the world know the value of MIB's graduates by leveraging digital media*
- *sharing our contents and ideas by creating a MIB think tank and publishing our cross-sectors experiences*
