

BUSINESS CORNER

MIB ALUMNI REUNION 2022

To increase the power that the MIB alumni reunion can have for participants, we thought of an initiative to boost entrepreneurs and help them increase awareness of their products, brands and/or services.

BUSINESS CORNER

A space available in the meeting room, in the MIB, so that before and after the interventions, as well as during breaks, participants can get in touch and get to know what their fellow alumni, entrepreneurs, are doing.

Possibilities:

- **Company banners and flyers available at the business corner table explaining: service, product, company, etc.**
- **Business cards available at the business corner table**
- **Product samples available on the space table**

Extra:

Gadgets to remember the reunion: Water bottles, chargers, headphones or other gadgets are welcome.

Extra:

Event sponsorship: why not let a company sponsor the trophies of the Golf Tournament?

Final Considerations

- **The business corner is broad and not exclusive. As well as the sponsorship of events.**
- **We have availability for around 8 desks, first come first served.**
