

MIB ON THE SNOW 2025

Friday, 24th January 2025 – Sunday, 26th January 2025

Dear friends of MIB School of Management, dear students, dear Alumni, dear MIB Staff,

first of all happy new year 2025 to you and to all your families! Let us hope that it will be an attractive year of learning in peace and prosperity, with a consistent development of our wonderful MIB community. As you may know every year our School proposes to its students, to its alumni, to the staff members and to the other friends to spend a week-end on the mountains, in order to relax together in a splendid harmony and in the middle of nature, where joy, humor, sport and fun will be cheered by an increasing friendship. This is one of the best moments of the year for MIB Community to meet and socialize. We expect the participants of all programs of MIB (MBA in International Business, MIRM, Origini Italia, EMBA, EMIF, Wine, Specialized short courses), MIB Staff and MIB Alumni to join. According with our tradition we will go to Bad Kleinkirchheim, in Austria¹, which is one of the most well-known ski stations of Carinthia region and also boasts hotsprings. It will be possible to ski, but also to practice snowboard, carving, ice skating and cross-country skiing; in addition it will be a pleasure to visit the hotsprings (Roman Thermal Baths), to take a sauna or swim in a warm water pool (even outdoors). The warm pool is very pleasant and it is good for the health: the water is full of radon and it emerges at 36° C. Hydromassage and solarium are also available. Bad Kleinkirchheim has many mountain huts, with excellent restaurant services and good itineraries for walks. Here you have the Program. We need to receive your confirmation of participation by sending the application form to pilotto@mib.edu before Sunday the 19th of January 2025 at 20.00.
